

SciencesPo

Preparing for your job interview – France

Checklist – The sample questions you should ask an interviewer

- 1 – What are the job responsibilities/tasks? (Goals to meet, assessment criteria, job priorities, autonomy, etc.)

- 2 – What means have I at my disposal? (Financial, technical, human resources, etc.)

- 3 – What is the internal organization of the company (hierarchy, team work)? What is the company's external organization like (relationships with clients, suppliers, service providers, etc.)?

- 4 – What opportunities are there for career development? What training opportunities are possible?

- 5 – What is the salary? Are there any bonuses, perks or benefits?

- 6 – How soon will you be letting candidates know if they've been chosen for the position?
